Pumps, Valves,
Pipes & Fitting

Connecting the entire Pharma value chain including new frontiers from the Industry

WHY EXHIBIT

Innovation

The Innovation at Exhibition is designed as a must-attend pharmaceutical event to increase your company visibility at PharmaTech Expo among thousands of visiting global industry professionals. You will have direct exposure with your target audience and a chance to talk one-on-one with business decision makers who need your products and services.

Technology

In Expo Exhibitors exhibit their New Technology, Innovations here and present better solution. All stake holders of the fraternity join and understand the technology and its application.

Knowledge

PharmaTech Expo brings together the Pharma machinery, Lab, packaging equipment, formulation, Nutraceutical, API's, Cosmetic manufacturers and the stakeholders from the industry value chain for knowledge sharing & networking with the Executives, Heads of R&D, Purchase, Manufacturing, Operations & Supply Chain Management from the ecosystem of Pharma industry during the exhibition. Our expo provides an opportunity to experience latest & futuristic trends in equipment & technologies as well as allied services.

WHY VISIT

Network

Exhibiting at PharmaTech Expo will enable you to reach out to region's most influential and key decision-making professionals at one place. Network with key players in the high-value, high-quality pharmaceutical market.

Source

Source the latest solutions, products and technology available in the industry. Source new suppliers and manufacturers from all around the world under one roof. Get updated on the latest trends and developments at PharmaTech Expo.

Discover

Discover business opportunities in the dynamic market and meet local manufacturers and companies/ investors interested to invest into Pharmaceutical projects. Build business relationships and share insights and ideas with peers of industry.

TESTIMONIAL

Shri Rushikeshbhai Patel
Hon'ble Minister Health & Family Welfare
Government of Gujarat

Honourable Minister added in his inaugural address that "Gujarat is a vital hub of pharma industry not just in the country but globally. Gujarat is also emerging as a hub of pharma machinery, lab equipment, packaging, clean room, and allied industry. The Gujarat government is committed to extending all help and support to the industry. I am confident the PharmaTech Expo 2022 and LabTech Expo 2022 will boost the growth of pharma and related industries."

Dr. H. G. Koshia
Commissioner, Food & Drugs Control
Administrator, Gujarat

I am pleased to inform you that PharmaTech Expo is Largest Pharma Exhibition in Western India. We have supported this event since its beginning. Gujarat & Maharashtra are hub of the pharma machinery manufactures, India's 40% machinery is manufactured in the state of Gujarat. I want to convey my best wishes to organisers to continue the same efforts.

EXHIBITOR'S PROFILE

- Pharma Machinery and Equipment's
- Pharma Formulation, Wellness, API's Manufacturers
- Processing Plants & Machineries
- Packaging Materials & Machineries
- Lab Equipment's, Analytical Instruments & Lab Wares
- Bulk Drugs, Intermediates & Formulations
- Excipients & Additives
- Cosmetic, Fragrance & Personal Care
- Water & Waste Water Treatment and Waste Management
- Heat Exchangers, Boilers, Filters, Pumps, Steam Generators
- Biotechnology & Clinical Research Organization
- Nanotechnology & Chromatography
- Clean Room Equipment's & Furniture
- Healthcare products-Ayurvedic & Nutraceutical manufacturers
- Pumps, Valves, Pipes & Fitting
- Software for Pharma Industry & Management
- Track & Trace Solution and Vision inspection Equipment's
- Government Organizations & Industrial Investment Agencies
- Plant Engineering, Process Plants & Equipment
- Contract Research and Manufacturing & OEM's
- Banking & Finance
- Logistics and Transportation
- Trade Associations, Trade Promotion Bodies
- IPR Standards & Patent Formulation Bodies
- Environment & Pollution Control Bodies
- R&D, Quality Control Laboratories
- Project Consultants & Turn-key Contractors
- Laboratory Chemicals & Consumable
- Safety Equipment's

VISITOR PROFILE

- Purchase officers of pharmaceutical companies
- Purchase officer of ayurveda & nutraceuticals
- Ceos, directors, chairmen, & technocrats
- Policy makers & decision makers
- Regulatory officers
- Hospital & pathology labs,
- Cosmoceutical, nutraceutical manufacturers
- Process engineers
- Qa / qc manager
- Lab technicians
- Pharmacists & scientists
- R&d professionals
- Academicians, teachers
- Equipment suppliers & distributors
- Foreign commercial corporations
- Trade delegates of various countries
- Formulations, api's, bulk drug
- Biotechnology & clinical research organization
- Government officials & associations

VISITOR OVERVIEW

Area of Interest

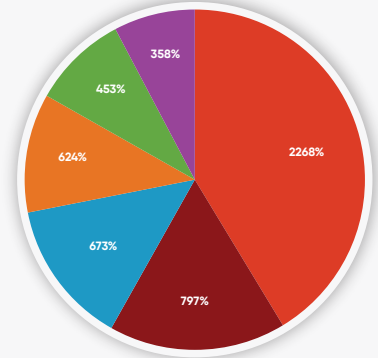

- Pharmaceutical Manufacturing
- Lab Equipment, Instruments & Lab wares
- Processing Plant and Machinery
- Packaging Materials and Machinery
- Bulk Drugs, Intermediates, Formulations, Excipients, Additives
- Others
- Health-care Products, Environment & Pollution control & Safety Equipments
- Water Treatment & Waste Management
- Research & Development, Quality control etc.
- Contract Manufacturers
- Trade Associations, Trade Promotion Bodies, Technical Publications
- Software for Pharma Industry and Management
- Biotechnology & CROs

Purpose of Visiting

- Connect With New Suppliers, Customers and Business Partners
- Discover New, More Cost-Effective Solution
- Evaluate Product Category, Test Drive The Latest Products, Get Expert Advice on The Specific Challenges
- Stay Up-to-Date With Emerging or Changing Trends, Gain New Ideas and Insights
- Book In Face-to-Face Appointments
- Others
- Network With Your Peers Around the World, Engage With Your Industry Community Globally

Designation Wise

- Top Management
- Purchase Manager
- Quality Control Managers
- Others
- Technocal Head
- Consultant

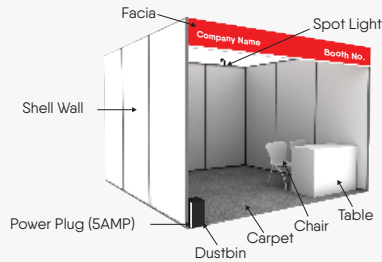

CHARGES FOR PARTICIPATION

Bare Space

(Min 18 sqm.)

INR 10,000/- (Per sqm.)
+GST 18% As per Gov.*

Shell Space

(Min 9 sqm.)

INR 11,000/- (Per sqm.)
+GST 18% As per Gov.*
